

Family #102**Family Story (please do not include names for privacy)**

My family of five have recently moved to Mississippi to make a fresh start. I've been with my partner for 6 years and we are raising the daughters. (2 are mine 1 is his) It's been pretty hard getting adjusted for the girls with not knowing anyone and trying to make friends. This program would definitely help because we had to start from scratch and it is taking awhile to financially recover.
