Family Information

Family Story (please do not include names for privacy)

I'm a struggling mom of three who recently had to move back home with my parents because I couldn't afford my bills alone. I have two children whom currently receive counseling for behavioral problems. One takes medicine three times a day. I also have a toddler that I take care of alone. Neither of my children's fathers help financially and holidays are very iffy. I'd greatly appreciate any help.
