

**Family #63****Family Story (please do not include names for privacy)**

Mom of 11(3 graduated)and 8 under 18. We are living in a temporary home at the moment. We had to relocate from our original home because of damage to it. So it was considered unsafe. Since having to move we're struggling to get back on track and find a place to call home again. During this time we also loss a lot of our household items and struggles to replace them.
